Editorial

Dear Alumni,
Greetings from IIHMR,

It is indeed a pleasure to bring the third alumni newsletter. This newsletter is a result of the hard work and creative efforts put in by the 11th and 12th batch PGDHM students. IIHMR Alumni news is an effort to disseminate significant news about the happenings in the institute to the old students and to create a forum for them to keep in touch with each other and with their Alma Mater

Hope it will serve its purpose in bringing your reminiscences and tying the emotional as well professional bond. These efforts can not be continued without active support from you all therefore I request you all to send your articles, writings, news events, etc. for to this newsletter.
Cheers!!

---Santosh Kumar, Secretary

IIHMR FESTIVAL 2007

SYNERGY MEET 07

The synergy Meet was organized at the Institute on December 9, 2007. The alumni committee had worked hard to organize and schedule the programme in the evening of the day. The programme was inaugurated with the lightening of the Lamp by all senior alumni. The welcome address was given by Mr. Santosh Kumar, Secretary Synergy and Assistant Professor, IIHMR. He apprised the fellow alumni with the aims and objectives of synergy and activities undertaken. Dr. Kapil Garg as a chief guest briefed about the synergy updates. He said that all students of IIHMR Jaipur and Bangalore were part of this Synergy. He announced that independent alumni website would be open soon.

The Synergy meet was followed by alumni and students interaction. In this interaction students posed a variety of questions related to PGDHM programme such as summer training, importance of different streams, job profile they should be looking from their prospective employers, dissertation topics and value of IIHMR in the market. A cultural programme was also organized in the evening.

Dr. Amrita (12th Batch), alumni committee member gave the vote of thanks.

LIST OF ALUMNI WHO ATTENDED The Pradanya '07

PRADANYA-2007

Recognizing the importance of the impact of globalization on health, IIHMR organized Pradanya 2007, National Conference on “**GLOBALIZATION AND IMPACTS ON HEALTH**” on December 8-9. Special focus was given to:

- ▶ Research: Its Global Prospects
- ▶ IT in Healthcare
- ▶ Legal and Ethical Issues

CAMPUS MASALA NEWS

QCI CONFERENCE

IIHMR in collaboration with QCI organized a 2 days training programme on “Accreditation of Hospital and Total Quality Management on September 17-18, 2006. Many alumni also attended this training programme.

Twenty third Foundation Day

IIHMR has completed 23 years of its contribution in education, research and training on 5 October 2007. The students and staff celebrated the occasion with great enthusiasm. In the afternoon there were cultural programmes and dance performances by the students and staff. The grand dinner was followed by a dance party which carried on its performance till the wee hours.

BLOOD DONATION CAMP

Students of IIHMR not only learn the art and science of managing healthcare organizations but have been the front runner in supporting and empowering the needy. Generating the resources for Earth quake and flood relief are few examples. On 26th January the institute in collaboration with Santokba Durlabhji Hospital, Jaipur organized a blood donation camp in the campus. Students participated actively in this altruistic initiative. The proud donors were the staff, the students and people from the community around Sanganer

COLLABORATION OF IIHMR WITH NJIT, USA

New Jersey Institute of Technology is providing short courses on management. Courses offered-Management of Technology; Management of E-commerce etc. **Course Fees-** The course fees includes 4000\$ including accommodation and transportation.

The course is also open for the registered member of Synergy. Interested candidates can contact Synergy Secretary.

Opening of IIHMR at Delhi

The IIHMR Delhi has started functioning since May 2007 from a rented place. Institute own building is under construction at Dwarka and is expected to be completed by April 2008. The institute has already been taking up research projects, Consultancy work and organizing MDPs.

SATURDAY SEMINAR

On March 19, 2008 Martin Fiset, M.Arch, Healthcare Facilities planning consultant, visited the IIHMR campus to give guest lecture on “The Hospital Planning Process”. All students of 12th batch attended and got the benefit of seminar.

PUBLICATIONS

The institute has released the following publications during 2005-07

- State of Institute Report,2007
- News letter of Gender Health Resource Centre 2007
- Journal of Health Management
- Reviewing empowerment in the context of Women's Health

CREATIVE HEART

DESIRES OF THE SPIRIT.....by Gunjan. 12th batch

*Its not the dust
but the embers
that I desire to be
Its not the fire
which dies with the dry air
but the blaze
which glows & kindles itself
to flames &explodes that I desire to be
Its not the planet
which sums standing still
and moves if all
in its permitted path
but the star which dares to sprint
on its own
when falls on the earth
glisters &glass
in its whole bring
that I desire to be
Its not the life
as its comes to me
taking me in its stride
but its the life
with struggles &fight
which give me a sense
of existence & achievement
that I desire to be .*

RESEARCH PROJECTS COMPLETED IN 2006-2007
